Economics/Marketing/Full Stack Web Developer looking for a development/coding position where I can apply my skills in Microsoft Office, Adobe, and web development to gain experience in a technical field.

EXPERIENCE

JANUARY 2020 – PRESENT
ADVERTISING ASSISTANT, HORIZON DISTRIBUTION, INC.

I oversee the day to day and monthly finances of the Advertising Department. I invoice customers on a scheduled basis and I am in charge of our Circular Advertisement program. I regularly use Adobe Suite for design and Microsoft Excel for department financial tracking.

JUNE 2015 – OCTOBER 2019
FORESTRY TECHNICIAN, U.S. FOREST SERVICE

I applied fire suppression tactics to contain and control active wildfire. I participated in controlled burn operations and tree stand thinning to help prevent future wildfires and to improve the overall health of the forest ecosystem.

EDUCATION

MARCH 2021
FULL STACK WEB DEVELOPMENT, UNIVERSITY OF WASHINGTON

Graduate of the University of Washington Full Stack Web Development Bootcamp. I developed front end, back end, and programming skills during this course.

JUNE 2018
B.S. IN ECONOMICS, CENTRAL WASHINGTON UNIVERSITY

Successfully completed all required coursework to graduate with my degree in Economics. I specialized in statistical data analysis through software such as Excel, SPSS, and RStudio.
